

# OUR HOTEL IS BICYCLE FRIENDLY

## BICYCLE FRIENDLY LABEL

This is a recognition given to companies, institutions or establishments that offer different facilities for the use of bicycles for their customers and employees. In a country where 75% of emissions come from cars, bicycles becomes an ecological and effective mean to prevent pollution.

## BENEFITS FOR CYCLISTS

By having a "Bike Friendly AAA" label, our Hotel offers the following benefits:

- Bicycles allowed inside the bulding.
- Bicycles parking.
- Discounts and special offers at our Restaurant for customer ariving by bicycle.
- Hotel employees that arrive by bicycle to work: special schedules, changing room, showers, etc.
