General Information

Catering Information and Policies

Food and Beverage

Due to liability and legal restrictions, no outside food and beverage may be brought into the hotel. The hotel reserves the right to charge for any beverages and food supplied in violation of this policy. The hotel specifically prohibits the removal of food from any catered function by the client or any of the invitees. If alcoholic beverages are to be served on the hotel premises, the hotel will require that all beverages are dispensed only by the hotel servers and bartenders. The hotel alcoholic beverage license requires the hotel to (1) request proper identification of any person of questionable age and refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced and (2) refuse alcoholic beverages service to any person who, in the hotel's judgment, appears intoxicated.

Banquets Menus

Menu selections for all banquet events should be submitted to your Event Manager a minimum of fifteen (15) business days prior to the event start date to ensure our entire staff can adequately prepare to accommodate your needs. Banquet Event Orders will then be generated by your Event Manager to review and approve to confirm all event details.

Guarantees

Where charges are made on a per person basis, a guaranteed attendance must be communicated to your Event Manager by noon, three (3) business days prior to the event. Guarantees for Saturday, Sunday and Monday are due by noon the prior Wednesday. Guarantees for Tuesday are due by noon the prior Thursday. This number is not subject to reduction. If no guarantee is received, the "expected" number indicated on the event order will be considered as the guarantee. Please refer to the Hotel's Banquet Menu for minimum requirements for number of guests served.

Service Charge/Tax

All food and beverage will be subject to a 24% taxable service charge and a Florida State sales tax of 7%. Service fees and sales tax are subject to change.

Function Space

The hotel has reserved adequate function space based on the contracted number of people and set requirements. Should the number of people or set requirements change, the hotel reserves the right to reassign any or all of the function space to accommodate both the group and any other group utilizing the facilities and services of the hotel. The hotel does not guarantee that event space not outlined on the contractual event agenda will be available.

Weather Guidelines for Outdoor Functions

The hotel reserves the right to make final decisions to move any scheduled functions indoors due to inclement weather. Should there be a weather report of thirty percent (30%) or more chance of precipitation in the area, the scheduled function will take place in the designed indoor back-up location. Temperatures below 60 degrees and/or wind gusts of 20mph shall also be cause to hold the function indoors. The decision will be made by the hotel five (5) hours prior to the scheduled event start time.
