## St. Regis Ritual Bloody Marys

---

*In 1934, Fernand Petiot perfected his recipe for a vodka and tomato juice cocktail at the St. Regis New York's legendary King Cole Bar. Originally christened the "Bloody Mary", the cocktail was ultimately dubbed the "Red Snapper" so as not to offend the hotel's refined clientele. While the name may not have stood the test of time, the Bloody Mary remains the signature cocktail of the St. Regis.*
