Catering

ONLY THE BEST

We want to help make your gathering the best it can be. We offer a variety of catering options for all occasions -- just ask our Sales Department for more information and we'll help you set up the perfect spread.

Menu selections and room set requirements are to be communicated to the Sales office no later than 72 hours prior to the date of your event. Substitutions will be honored for special requests.

Final confirmation for the number of guests attending the event(s) must be received by the Sales office no later than 72 hours before the scheduled event. Should the client fail to communicate a final number of guests, the original number of expected guests will be considered the guarantee. The final guarantee is not subject to reduction.

Customized Menus: To accompany our standard catering menus, we also offer the opportunity to meet with our Sales Department to create a menu designed for your event. We will help you plan the catering from local restaurants and we also allow outside catering.

RECOMMENDED CATERERS
