The Summit is a signature Calgary Airport Marriott In-Terminal Hotel concept that provides all day refreshments including tea, coffee, soft drinks, water and snacks allowing freedom and flexibility for your guests.

Each day the menu is designed by our innovative kitchen team and will provide everything your guests need from morning pick me ups to afternoon delights. Imaginative delights can include items such as bacon thyme donuts with chipotle glaze or macadamia and balsamic cookies.

Lunch will include handcrafted seasonal hot and cold items that are local to the Calgary area. Menus will be designed by our Chefs to complement your meeting purpose and serve your guests needs. A selection of hearty sandwiches, fresh soup and unique salads with unique specialty items and tasty treats to satisfy everyone's sweet tooth.
