# Holloway's

bar

*Holloway's is an homage to our city's rich history as the candy capital of the world. A key member of this confectionary revolution was Milton J. Holloway, who discovered the candy business with a small sum of cash and a big American dream. He bought F. Hoffman & Company, the original producer of a chocolate-covered caramel treat called a "Milk Dud" – named for its amorphous shape when attempts to make it round had failed. Come join us for hand crafted cocktails, small bites, and locally brewed beers. Located at the far end of the Springhill Suites side of the lobby.*
