

Skincare Therapies

Featuring specialty lines of professional products ranging from organic to medicinal, our holistic skincare therapies have been designed with each person's skincare goals in mind. Enjoy luxurious pampering and long-lasting results catered to your individual needs.

ILLUMINATING DIAMOND FACIAL

Experience unprecedented rejuvenation with this sensory skincare therapy. Energizing ingredients combined with innovative facial massage techniques provide immediate and long lasting luminosity, lift and radiance.

SECOND YOUTH PEPTIDE FACIAL

Experience remarkably firming results in this marine peptide rich facial. Stimulating facial massage along with a unique firming mask promote cellular turnover and collagen production leaving your skin soft and youthful.

HEALING OXYGEN FACIAL

This healing effervescent oxygenating facial releases pure oxygen molecules into your skin to energize your cells and help eliminate toxins, purify, balance and restore skins vitality and natural tone.

BLEMISH SOLUTION THERAPY

Detoxify and clear the appearance of problematic skin. Encapsulated Salicylic Acid, healing clays and Tea Tree are combined to help reduce blemishes and inflammation while soothing, nourishing and hydrating your complexion.

HYALURONIC GLOW THERAPY

Maximize hydration with a cooling and plumping hyaluronic gel treatment. Dry, dehydrated skin will be transformed with a complex of peptides and botanicals to infuse critical hydration, resulting in overall health and well-being for your skin.

VITAMIN C BRIGHTENING THERAPY

Slow the signs of aging by infusing the skin with potent and nourishing essential Vitamins. This luxurious facial will not only address current antioxidant and nourishment depletion but aid to protect the skin from future damage.

GREEN RECOVERY FACIAL

Experience nurturing organic greens blended to nourish and pamper sensitive skin. Cooling and hydrating botanical stem cell extracts help to promote an even skin tone while calming redness. This gentle and restorative treatment will leave your skin even-toned, refreshed and glowing.

ORGANIC JOURNEY FACIAL

Enjoy a European-style facial featuring organic products to meet your unique skincare needs. This tailored journey is the perfect skincare pick-me-up. Leave this treatment feeling like your skin received the ultimate care.

Specialty Facial Peels

Each of our natural peels is designed to give you the best result possible with no recovery time. We recommend that you do not enjoy the sun, sauna, steam rooms or hot showers immediately before or after any of our peels to avoid irritation and reap the maximum benefits possible.

RESURFACING RETINOL PEEL

Bring out your inner beauty with the combination of Lactic and Salicylic acids. This age corrective acid combination fights the signs of aging deep below the surface. Effective for all skin types, this peel produces an evened-skin tone and more youthful complexion.

ARCTIC BERRY PEEL

This powerhouse peel stimulates collagen, reduces pigmentation and softens acne and inflammation. Choose this treatment leading up to a special event as it leaves your skin brighter and hydrated with a smooth and firm texture prime for makeup application.

BLUEBERRY DETOX PEEL

Hydrating, plumping and gentle at the same time, the natural fruit acids provide an invigorating and effective peel to address a wide range of concerns to reveal a healthier appearance. This peel is effective for all skin types from sensitive to hearty.

Skincare Therapy Enhancements

These facial therapy enhancements are designed to add to any of our skincare therapies without increasing time to your service.

EYE RESCUE

Awaken, smooth and revive the eye area with this targeted treatment that reduces puffiness, dark circles and fatigue by offering deeply hydrating and soothing emollients. Experience a renewed sparkle and youthful look after this enhancement.

LIGHT AND LIFTING RESCUE

Reduce fine lines and promote collagen production with this targeted therapy using the powers of micro current and red LED light therapy. This enhancement is based on your individual needs, please consult your skincare provider to see what is best for you.

RADIANCE RESCUE

This renewal enhancement, designed to add to any of our facials, intensely and safely regenerates your skin's surface, delivering maximum radiance.
