# GRAND BALLROOM

**Luxury feast  
personalized service  
launch a wonderful banquet trip here**

We have a grand ballroom and eight meeting rooms with a total area of 2400 square meters

The pillarless grand ballroom covers an area of 720 square meters, is seven meters tall, and can accommodate up to 800 attendees. It can be divided into two separate meeting rooms, each of which covers 360 square meters.

The ballroom's primary color is daylight yellow, which evokes the beautiful Yuelu Mountain and the magnificent Xiang River.

which is also represented by blue and yellow carpeting. The top of the ballroom features solid wood edges as well as a grand crystal chandelier shaped like cloud petals, providing a feeling of relaxation and pleasure.

The ballroom is equipped with an adjustable projector and professional sound system to meet your needs.

The spacious, multifunctional foyer, replete with natural lighting, makes events more colorful.

The grand ballroom's foyer is connected to our 400m<sup>2</sup> roof garden located on the same floor.

as our hotel's restaurants for your convenience.

Eight meeting rooms are also available to satisfy your event's requirements.
