

A woman with long hair, wearing a wide-brimmed hat and a long, light-colored coat, stands by a body of water at sunset. The background shows a city skyline with tall buildings. The scene is bathed in warm, golden light from the setting sun, creating a soft, atmospheric glow. The woman's eyes are closed, and she has a serene expression. The water in the foreground reflects the sky and the city lights.

NEW HORIZONS

WHERE THE CITY MEETS THE SKY, A NEW URBAN NEIGHBOURHOOD IS BORN

La Ville Hotel & Suites is a boutique hotel experience found in the heart of City Walk, Dubai's new urban living destination. Part of Marriott's Autograph Collection, this distinctive low rise property offers a unique and relaxed vibe amongst the metropolis of the city.

Stylish, iconic architecture celebrates open spaces, providing a sociable setting for guests to meet and mingle or simply a refreshing place to breathe. La Ville provides the ultimate home away from home by creating a lifestyle experience, surrounded by a unique mix of sociable dining and high end retail amongst a lovely urban setting.

Dining includes surprising cosmopolitan and social experiences, tailored to individual preferences and moods. For the sophisticated experience seeker, frequent traveller or stylish socialite looking for a lively urban setting, New Horizons have appeared at La Ville.
