If a need of supplemental audio visual equipment is requested, we will provide you with the contact information of our preferred vendors.
GENERAL INFORMATION

Thank you for choosing the Key West Marriott Beachside Hotel. We are eager to help you both in the planning and serving of your function. Should the menu selections presented here not fulfill your requirements, please let us know. We welcome the opportunity to custom tailor menus to your specific needs.

Food and Beverage
All food items served on the hotel premises must be supplied and prepared by the hotel’s culinary team. All alcoholic beverages to be served on the hotel premises (or elsewhere under the hotel’s alcoholic beverage license) must be purchased from the hotel and dispensed only by hotel servers and bartenders. Alcoholic beverage service may be denied to those guests who appear to be intoxicated or are under age.

Menus
Our menus represent items which we feel are appropriate for your event. Please keep in mind that these are suggestions and we will be happy to customize a menu that might better suit your needs. Banquet event order details should be finalized a minimum of thirty (30) days prior to the actual event. Menu prices are subject to change with market fluctuations. Final menu prices may be confirmed thirty (30) days prior to your function. Prices are based on ninety (90) minute service for buffets unless otherwise indicated.

If multiple entrées are requested and there is a price difference between the entrées, the higher priced item will prevail for pricing all of the entrées. Plated entrée selections must be pre-selected and provided to the catering manager ten (10) business days in advance of the event and place cards at each place setting are required, with an indication of meal choice.

It is the client’s responsibility to be aware that consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness, especially if you have medical conditions.

Room Setup Considerations and Fee
Function rooms are assigned according to the anticipated guaranteed number of guests. If there are fluctuations in the number of attendees, the hotel reserves the right to re-assign accordingly the banquet function room. The hotel reserves the right to charge an additional fee for set-up charges made the day of the function.
