## TEA TEMPTATIONS

### Green Tea

A rare pleasure for tea connoisseurs when typical light tartness of green tea joins with a flurry of freshness

### Earl Grey

A tea blend which has been flavoured with the addition of oil of bergamot

### Home Made Masala Chai

Freshly brewed and flavoured with our "secret" masala

### Assam Tea

A rich and a strong, deep-amber tea that goes perfectly with brunch or after dinner instead of coffee, blended with malty Assam

### Jasmine Tea

Expertly blended using only 100% pure jasmine, this delightful Herbal tea has a fresh flowerily taste and invigorating aroma

### Chamomile Tea

Chamomile, with its light clean flavour and soothing effect. One of the most widely used herbs in the world today, "ground apple" like aroma of herbs. Enjoy the soothing and calming benefits of Chamomile Herbal Tea.

### English Breakfast Tea

English breakfast tea is a black tea blend usually described as full-bodied, robust, rich and blended to go well with milk and sugar, in a style traditionally associated with a hearty English breakfast.
