

GREEN MEETINGS

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, in the communities where we work and live!

Our Courtyard Hotel:

- * Replaced light bulbs with energy-efficient bulbs
- * Installed low-flow showerheads and toilets
- * Introduced water/energy saving linen program
- * Provides notes pads and pens made from recycled materials
- * Offers in-meeting room recycling
- * Uses ENERGY STAR® equipment throughout hotel

Marriott International's Global Environmental Goals:

- * Further reduce energy and water consumption 20% by 2020 (Energy 20 percent per kWh/conditioned m²; Water 20 percent per occupied room (POR). Baseline: 2007);
- * Empower our hotel development partners to build green hotels;
- * Green our multi-billion dollar supply chain;
- * Educate and inspire associates and guests to conserve and preserve;
- * Address environmental challenges through innovative conservation initiatives including rainforest protection and water conservation.
