

ELEVATING. REIMAGINING. ALWAYS WELCOMING.

Sawgrass Marriott Golf Resort & Spa has unveiled an entirely refreshed look and we're pleased that you can be a part of it. Our \$25 million renovation has updated a variety of hotel offerings and spaces, from modernized guest rooms and the elegant Cabana Beach club to a refreshed exterior and upgraded spa, there's so much new to experience. Sawgrass customers and guests can now take advantage of all of the following new and updated amenities during stays with us.

EXTERIOR & FRONT DESK

- A fresh color for the hotel façade and modernized sleeping rooms with oversized sliding windows to add square footage to the guest rooms
- Deluxe Porte Cochere entrance featuring all-new woodwork

RESORT POOL AND 100TH HOLE

- More space for guests to kick back with new wooden cabana huts and all-new patio furniture designed for comfort
- Addition of a new firepit for intimate evening gatherings in lieu of the current Jacuzzis®
- New SurfStream® wave simulator featuring adjustable wave size, shape, and multiple riding modes
- Rebranding "The 100th Hole" to "The American Gator Club" featuring a new layout for better views of the 13th hole at TPC® Sawgrass

SPA

- Two couples treatment rooms for romantic relaxation
- Three new hair and makeup stations so we can give guests a more attentive spa experience
- Train smarter with updated fitness center equipment

GUEST ROOMS

- 30 additional square feet added to each individual guest room, with the exception of corner suites, by removing the Juliette balconies
- Corner suites now feature an additional glass balcony finish
- All rooms have new soft goods, including sea inspired carpeting and artwork, new bedding and linens, lighting and electronics, platform beds and customized seating areas
- Bathrooms now feature back-lit vanities and refreshed bathroom linens and appointments
- A second Presidential Suite has been constructed that features a living and dining room to seat up to 8 guests

CABANA BEACH CLUB

- New elegant entrance to the Cabana Beach Club with fresh landscaping and more unobstructed scenic views
- The primary building's roof has been fully replaced
- Brick paved walkways have been upgraded with a wooden deck system to blend into the existing boardwalk, welcoming guests onto the beach
- Both pools and their adjacent patios have been resurfaced
