Sheraton Grand Mirage Villas

Already boasting the most sought after address in Main Beach, Sheraton Grand Mirage Resort Gold Coast is delighted to introduce the newly-transformed Sheraton Grand Mirage Villas.

Developed by award-winning architects, DBI Design, the new look villas amplify the spectacular surrounding views and are finished with luxurious furnishings and fittings. Filled with natural light via the floor-to-ceiling windows, every aspect of the Sheraton Grand Mirage Villas has been carefully designed to embody sophisticated beach side living and immerse guests in the resort's breathtaking environment.

Reconfigured to provide an open plan environment which engages contemporary living, the new kitchen design connects with the dining area and the living space to achieve a luxurious spatial quality. Ideal for relaxation and entertaining, each space in the villa has been enhanced through carefully considered design and detail to reinvigorate and establish a sumptuous interior with a distinct character.

General villa includes:

- Kitchen with cook top, oven, fridge/freezer, microwave, dishwasher, crockery, cutlery and utensils
- Dining area and spacious lounge area
- Laundry facilities - washing machine and dryer
- Private undercover secure parking with direct lift access to accommodation floors
- Sheraton Grand Mirage Villas private pool and direct access to Mirage beach
- Electronic security system
- Access to all resort services including 24 hour reception, concierge, in-room dining Wi-Fi, restaurant, bars, lagoon pool and gymnasium.

2 Bedroom Villa

Providing the ultimate home away from home, the Sheraton Grand Mirage Villas offer generous space with two bedrooms, two bathrooms, open plan lounge, dining area and fully equipped kitchen, as well as a balcony providing a relaxing outdoor area for guests to unwind and enjoy their striking surrounds.

At the heart of each villa is a master suite, furnished to a modern standard, featuring the renowned Sheraton Sleep Experience King bed, adjoining a sleek ensuite. The second bedroom offers flexible sleep options with two single beds that can be set to twin or King configuration. The main bathroom features shower, bath, toilet and dual vanity.

For those requiring additional space, an interconnecting option is available with two of the 2 Bedroom Villas.
