

Residence Inn Green Meetings

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, in the communities where we work and live!

Our Residence Inn Camarillo Hotel:

- Replaced light bulbs with energy-efficient light bulbs
- Introduced water / energy saving linen program
- Provides note pads and pens made from recycled materials
- Offers in-meeting room recycling

Marriott International's Global Environmental Goals:

- Further reduce energy and water consumption 20% by 2020 (Energy 20 percent per KWh/conditioned M²; Water 20 percent per occupied room (POR). Baseline: 2007)
- Empower our hotel development partners to build green hotels
- Green our multi-billion dollar supply chain
- Educate and inspire associates and guests to conserve and preserve
- Address environmental challenges through innovative conservation initiatives including rainforest protection and water conservation
