DISCOVER AN ANTIQUE LAND. AN EXTRAORDINARY WORLD OF NATURAL TREASURES

THE DEAD SEA
The surface is -427m / -1400ft below sea level, making it Earth's lowest elevation on land. With 33.7% salinity, it’s one of the world’s saltiest waters allowing people to easily float with natural buoyancy.

DIVING IN AQABA
There are over thirty main diving sites in Aqaba. Cedar Pride is the best wreck for advanced divers, who can swim under the wreck at 25-26m / 82-85ft. Depending on the time of year, visibility is usually 20-25m or more. The water temperature ranges from 20 - 26°C / 68 - 78.8°F.
