

### **Age**

Guests must be 21 years or older with photo identification to reserve a room.

### **Credit/Debit Card**

Debit and Credit cards will be authorized at check-in for the amount of your stay, plus an amount to cover incidentals. The authorization will hold the funds until check out, at which time the amount actually incurred during the stay will be charged. Authorized amounts may take up to 30 days after departure to be released by your bank or financial institution and the hotel will not be responsible for any resulting fees or charges. For these reasons, credit cards as a deposit and form of payment are encouraged.

### **Extra Bedding**

Extra bedding is allowed in select rooms for an additional fee. Please contact the hotel for further information.

For security purposes, valid photo identification is required at check-in. Acceptable forms include a drivers license, passport, and/or proof of age card.
