

INSPIRING THE WORLD THROUGH GREEN MEETINGS

Marriott Hotels and Resorts

Replaced light bulbs with energy-efficient bulbs. Installed low-flow showerheads and toilets. Introduced water/energy saving linen program. Operates the most ENERGY STAR® certified properties in the industry, as part of Marriott's portfolio of brands. Involves its global workforce in eco-volunteerism. Marriott International recently announced the Spirit To Preserve the Rainforest, our historic agreement with the Amazonas Sustainable Foundation to protect and preserve 1.4 million acres of endangered Amazon Rainforest in Brazil.

Seattle Marriott Redmond Meetings and Events

Note paper composed of 100% Post-Consumer Waste (PCW) and pens made from 74% PCW. Water service utilizing pitchers or carafes eliminates need for plastic bottles. Electronic banquet menus and sales proposals (hard copies available upon request). Catering menus prioritize organic, local ingredients. Buffet and meeting room tables are 99% recyclable and partially made from recycled aluminum.

Seattle Marriott Redmond Hotel Operations

Linen and Terry Reuse Program encourages guests to only request towels and sheets washed when necessary. Paper, plastic, and glass are recycled. THANN environmentally friendly shower products are provided in guest rooms.
