

tripadvisor® greenleaders certification winner

The TownePlace Suites Seattle South/Renton takes 'Green Initiatives' and Environmental Friendliness very seriously. As a result we have been honored with the Tripadvisor Green Leader 'GreenPartner' certification.

Through various Green initiatives we are making a commitment to not only provide our guests with comfortable, productive stays, but also help keep the environment safe and healthy.

This prestigious honor is just another example of what makes the TownePlace Suites Seattle South/Renton such an excellent place to call home on your next visit to Renton, Washington.
