# ⇒ HOP ⇒ ON BACK FOR A BREW & A BITE

B55 Craft House & Kitchen taps into beer's burgeoning popularity with 55 artisanal selections and innovative American comfort food served in an industrial chic meets mid-century-modern gastropub.

You can look forward to a lively bar scene featuring a rotating selection of 55 premium craft beers, 28 of which are on tap; handcrafted cocktails; and an exclusive library of rare bourbon, whiskey and scotch.

Executive Chef David Hollands and Chef de Cuisine Kevin Kacprzak have created a deliciously approachable menu. Kacprzak explains, "It's food I would cook for my family and friends at my home. The menu's strength is its flavorful ingredients, which are sourced from local farmers and producers."

Come on back for lunch or dinner... we look forward to seeing you soon!

Monday-Friday: 11:00am - 11:00pm Saturday-Sunday: 12:00pm - 11:00pm
