

Please be advised that on some weekends Costa Rica's Government restricts the use of the 27 route that drives to Los Suenos. During that time you must use an alternate route. Please contact our vacation coordinator prior to your visit.

We strongly suggest using GPS during your visit to Costa Rica, some roads do not have signs and it can be confusing. GPS are the best way to experience our country.

Geographic coordinates

Latitude: 9.652993 | Longitude: -84.659807
