

# BODY TREATMENTS

## PURIFYING BACK TREATMENT

This service is wonderful for anyone experiencing breakouts and congestion on their back. Transform, restore, and resurface this hard-to-reach area with a thorough cleansing, exfoliation, massage and soothing rehydration treatment.

60 minutes | \$150

## BODY BRILLIANCE

A deep-cleansing body scrub uses natural fine grains of bamboo infused with invigorating oils of ginger and lime to remove rough, dry skin and reveal a brighter, smoother skin texture. A nourishing shower experience and a delightful massage application of Shea Butter Body Cream follow this invigorating scrub. When you are finished, your skin will feel perfectly polished and hydrated.

## DETOX BODY RESCUE

Inspired by ancient cleansing rituals, this body treatment starts with a gentle exfoliation to rid rough, dry skin of impurities. Moroccan Rhassoul clay infused with essential oils of rose, jasmine, and ylang-ylang will penetrate deeply and help release toxins and relax tense muscles. An invigorating shower rinse washes away impurities, after which your skin is treated to a warm application of Shea Butter Body Cream for maximum hydration.

## OCEAN RICHE BODY RESCUE

Ingredients captured from the depths of the ocean nourish and energize your skin. Relax with a light dry brush exfoliation, followed by a warm wrap application of mineral-rich sea clay to remove toxins. Finish with a shower rinse and Magnesium-rich body cream to help soothe, protect and nourish your skin.

## MAXIMUM INDULGENCE

Drift away with this maximum indulgence, all in one treatment. Start with an exfoliating body scrub to remove dry, rough skin. Follow with a warm body drizzle of therapeutic oil and Moroccan Rhassoul body clay infused with essential oils of rose, jasmine, and ylang-ylang. As you slip into relaxation during your wrap, de-stress with our pressure point scalp-conditioning treatment and muscle release foot massage. Finish with a relaxing upper body massage complete with hydration and nourishment for the face, neck and shoulders. This head to toe experience will lift your spirits, revitalize your skin, and leave you so relaxed you'll hardly remember the trip here.
