FEATURED ATTRACTION

Nevado de Toluca National Park

One of the largest peaks in Mexico, Nevado de Toluca is an inactive volcano with a surrounding park, where you can explore two crater lakes and nearby archeological sites or just enjoy the conservation areas. While at the park you can discover the vast lands by enjoying the many paths on horseback, mountain biking, or hiking. One of the main features and spectacular views is hiking down to the crater lakes and enjoying the views of the Park.

Zacango Zoo

Located near Toluca, the Zacango Zoo was designed to offer the over 180 species of animals a stable habits similar to their native areas with a bit of freedom. An interesting take is you can explore the zoo by taking a tour on the one of a kind horse-drawn carriage ride or simply walk the zoo to see animals from around the world.

La Cantina de los Remedios

Dine on traditional Mexican cuisine while enjoying the Revolution like atmosphere of the La Cantina de los Remedios. A casual dining environment in which you can unwind from a day of work or adventures.

Museum of Science & Industry Modelo

The Modelo Museum of Science and Industry is a recent addition to Toluca and was constructed in the buildings of an old beer brewery. The museum now contains exhibits which highlights the importance of brewing, glass, metal-mechanics, cardboard and paper industry within Mexico. Upon the rooftop of the museum is a terrace bar in which you can enjoy a bite to eat or a refreshing beer.

Plaza de los Mártires

The heart and center of Toluca is the the Zocalo, or the Plaza de los Martires (Plaza of the Martyrs) which is also home to the Palace of the State Government. The main feature of the plaza was the monument dedicated to the rebels lost in the Mexican War of Independence. The majority of the buildings represent the architecture from the 19th century.

Metepec

From the history of a prehistoric settlement to now a flourishing community of artists Metepec, is a short trip from Toluca and allows you to experience quality artisans and their award winning crafts.

Los Portales

The social and commercial life of Toluca is represented by the Los Portales, a set of arches that extend behind the Toluca Cathedral. The area of Los Portales is home to main commerce and the central plazas of Toluca which is home to some the city's oldest businesses such as the pharmacy on Calle Santos Degollado and the brass and iron workshop on Avenida Lerdo.

NorteSur

Looking for Mexican cuisine with a modern flair, NorteSur offers the traditional dishes that are amped up with the best flavors, aromas and colors of the Toluca NorteSur area. The overall theme of the restaurant is "renew or die" and NorteSur hopes to deliver an outstanding dining experience.

San Carlos Golf Club

Enjoy the best 18 holes of golf near Toluca at the San Carlos Golf Club. On a course designed by Percy Clifford, the designer slopes and curves the terrain to add a bit of difficulty to the course.

Cosmovital

Stained glass mural encapsulates a beautiful Botanical Garden with over 500 types of plants and throughout the garden are statues that serve as monuments to flora researchers and sister states of Toluca. The overall theme of the Stained Glass mural is "Man and his relationship with the Universe." Also within the garden you can find art exhibitions and sometimes bonsai plant workshops.
