

INNOVATIVE AND REFRESHING FROM THE GROUND UP

Tucson Marriott University Park is undergoing a multi-million-dollar reinvention to ensure guests experience the leading edge of accommodation. This comprehensive transformation will update everything from elevators to guest rooms to banquet spaces. The redesign reimagines the décor and potential of each space, inspired by the region's history with Sonoran Desert tones and textures. From the streamlined great room bar and seating where you can work, meet and mix to the terrace and firepits outside, once complete, the Tucson Marriott University Park will provide a refreshing new perspective for your travels and events.

- 231 spacious guest rooms
- 19 upgraded suites
