

SEE BETHESDA AND D.C. LIKE A LOCAL

Step outside the front doors of the newly redesigned Bethesda Marriott and get to know our beautiful locale. Take the complimentary shuttle to explore downtown Bethesda for boutique shopping and dining, like Cooper's Mill, a farm-to-table restaurant that uses house-grown herbs and honey harvested from their own hives. It's approximately 10 miles to the nation's capital, where you will find an incredible array of entertainment, the Smithsonian museums, memorials, the Capitol and the White House. Or if you want to stay in and relax, sun yourself on the patio by the pool or take a ride virtually on our state-of-the-art Peloton bikes.
